Puppy Name: Full Titled Name & or Pet Name

Date of Birth:

After a viewing when a puppy is chosen a deposit is required to secure a sale. A deposit of £400.00 is acceptable by cash, cheque or bank transfer. This will ensure the pup will be sold to you and the sales price confirmed. Cash or bank transfer is preferred in all transactions.

PLEASE NOTE A DEPOSIT IS NON REFUNDABLE.

Should you change your mind at a later date I cannot refund your money.

Pedigree puppies are difficult to breed and are sort after by many, the hours of work, vet bills, care and time needed are vast in rearing these tiny babies. Also I would have turned other prospective buyers away.

All puppies will have full pedigree papers some showing Champion bloodlines. These puppies are registered with the Kennel Club.

The first vaccination will have been given by the time you collect your puppy. The second will be due on the date listed on your vaccination card, please do not miss this date.

Please ensure you take your puppy to meet your vet within the first week, this will also satisfy you that the puppy is well.

I offer a 4 week free insurance policy with Pet Plan to give peace of mind, this will be activated on collection of the puppy.

All puppies will be wormed with Advocate, Stronghold or Milbemax. Please ensure you regularly worm your puppy, seek advice from your vet to which products are preferred and at what intervals your chosen product should be administered. Their nails will be clipped and they will be part paper trained. All puppies are socialised with older dogs, cats and children. They are used to all normal household noises and should adapt within a week in their new surroundings. Remember they are used to sleeping with a sibling so expect your baby to cry when feeling lonely. A radio or ticking clock and a hot water bottle may help.

Please ensure they have a warm bed, plenty of fresh water and regular meals (at least 3) each and every day.
